# Speciality yeast extracts for a clean and authentic taste

Typical dosage 0,02% - 0,05% ready to eat

## ✓ AROMILD™

Boosts the flavour spectrum and aftertaste for longer lasting umami

## ✓ AJITOP™

Provides a direct front of umami with touch of sharpness and thickness

## ✓ AJIREX™

Increases front to middle taste for a deep and satisfying end product

## MCLS Yeasts Extracts are:

vegan, halal, kosher, allergen-free,  
natural and clean label!
